"Cobblestone Cats: Cats of Old San Juan" is the exclusive fine art coffee table book documenting the feral cat population of Old San Juan, Puerto Rico. Old San Juan is vibrant with an abundance of shops, historic sites, cafés, restaurants, gracious homes, and tree-shaded plazas. It is characterized by narrow blue cobblestone streets, beautiful Spanish colonial architecture and, of course, its cats. In Old San Juan the cats are as much a part of the city as the residents that call it home or the waves of tourists that crowd it. While visiting the old city you will encounter many feral cats peeking out from beneath a car or scaring across the cobblestones. Along with over 100 photos the book also includes facts describing a feline's health, physical abilities and social nuances, as well as, facts about the island and culture of Puerto Rico and its people. "Cobblestone Cats" is a definite must have for anyone who loves photography, the arts, travel, culture, and of course, the feline allure.
