Derechos humanos (Biblioteca Jurídica Porrúa) (Spanish Edition)

Carlos Fernando Quintana Roldán, Norma D. Sabido Peniche

Derechos humanos (Biblioteca Jurídica Porrúa) (Spanish Edition) Carlos Fernando Quintana Roldán, Norma D. Sabido Peniche

Esta obra ubica al lector en los ejes esenciales de los derechos humanos, desde la evaluación histórica, el aspecto conceptual en la teoría contemporánea, el análisis de la legislación mexicana e internacional que los consagra, hasta los diversos sistemas de protección. Asimismo, se analizan las teorías más relevantes que tratan de explicarlos. Se exponen los diversos enfoques de orden filosófico, ético y sociológico que les dan sustento y que han ubicado, en la actualidad, al tema de los Derechos Humanos como una parte medular de la conciencia de las sociedades modernas. Este libro hace un estudio profundo de los organismos públicos de protección y defensa de los derechos humanos que existen en nuestro país, naturaleza jurídica, atribuciones y competencia, entre otras cuestiones. De la misma manera, se analiza la naturaleza y funciones de las organizaciones no gubernamentales que promueven los derechos fundamentales, no sólo en nuestro país, sino en diversas naciones del orbe.

Por otra parte, este texto incluye, como anexos documentos y ordenamientos antiguos que han sido precedentes importantes de los Derechos Humanos, así como diversos ordenamientos jurídicos, entre los que destacan algunos instrumentos internacionales sobre la materia y la normatividad que rige a la Comisión Nacional de los Derechos Humanos, al igual que la correspondiente a las Comisiones de Derechos Humanos del D.F. y del Estado de México.

En suma, esta obra es una valiosa aportación para la divulgación de los derechos humanos, ya que ofrece elementos básicos para la adquisición de conocimientos sobre este asunto, así como los mecanismos necesarios para su defensa cuando estos derechos se vean afectados por actos arbitrarios del poder público.
