Backyard Birds: A Picture Book For Kids To Learn Fun Facts About Backyard Birds In North America (Nature's Amazing Series 7) Jan Marie Mueller

Nothing's "Common" About These Beautiful North American Backyard Birds!

Though you may recognize many of these backyard birds, chances are you have never seen them in as much detail as you will see them here!

You and your child will love this "up-close and personal" look at some of the most amazing creatures in your own backyard.

This educational children's book focuses on using carefully chosen words along with stunningly colorful photographs to introduce your child to the fascinating world of backyard birds.

With more than 70 gorgeous photographs, ***Backyard Birds: A Picture Book For Kids*** is guaranteed to fuel your child's curiosity and keep him or her engaged from start to finish!

From large backyard birds like the **Blue jay** and **American Crow** to the tiny **Hummingbird** and **Chickadee**, discover fun, interesting facts about where each of the birds lives, what they look like, how they act and where they build their nests.

We've even included some **super simple bird feeder crafts** to help attract more birds to your backyard and a bunch of **useful bird watching tips** for those special backyard expeditions!

This Kindle book is exclusive to the Amazon store and only takes seconds to download, so your child can begin reading and learning, in no time.

- **Note:** This book has been designed for children aged 7 and up, who can read themselves. Or, as a parent, you may want to read and share this book with your child, no matter their age.
- **SPECIAL PRICING:** This book is exclusive to the Amazon store and currently set at a low promotional price. It can be easily downloaded and your child can begin reading and learning within a short time.

??? As a firm believer in the importance of early education, Jan wrote this book to help children read and learn about the amazing world of nature right outside their own

backdoor.

*** You and your child will love the "up close" look at nature this book provides! ***
