The Bible on Divorce and Remarriage

Michael Pearl

The Bible on Divorce and Remarriage Michael Pearl

Historically, Christians have been divided on the issue of divorce and remarriage; many institutions and theologies coming down on the side that it is adultery to remarry while one's former spouse is still alive. This is consistent with the words of Jesus in Matthew and the words of the Apostle Paul in Romans. Others stand by the words of Paul in 1 Corinthians where he clearly declares that it is not a sin to marry again if you were put away (abandoned or divorced) by an unbelieving spouse. There seems to be a conflict in Scripture regarding divorce and remarriage. You do not have to pick a side to the exclusion of the other. There is a marvelous harmony in the Word of God. In this book you will see Scripture in all of its glorious consistency, and you will appreciate the divine logic. This is not a lecture or a diatribe against those who are divorced. It is a thorough exegesis of all the Bible texts concerning divorce and remarriage. If you are a pastor or counselor you will find this book to be a great tool to instruct those who are troubled by this subject. The subjects of divorce, remarriage and adultery have confused both Christians and their pastors alike. In this thorough exegesis of all the Bible texts concerning divorce and remarriage, Michael Pearl answers these issues with the Word of God, revealing the perfect harmony in Scripture and God's divine plan for marriage.
