Here is the “miracle cure” system! There are three things you “must do”. One, you “must say” this sentence every day, “I was just born today.” You “must also say it” whenever you’re feeling sad about you or your life. You may have to say this sentence a million times a day for the rest of your life, but it works, and it’s worth it! It’ll wipe your past away, and give you a new and fresh starting point each and every time. Two, you “must pick” a time period from which you will “begin again”. Pick a starting point, either the day you graduated college, high school, or junior high. Three, you “must” do your best to implement the creative tips in this little book. Good luck, you can do it! I wish you the very best!!
