Alchemy: And The Tincture Of Gold (Volume 8) Steven School

I began my alchemical journey in the year 2008, when i read an account of a medieval transmutation of lead into gold, i decided right then and there that i wanted to know more about the mysterious projection powder of the ancient sages. This booklet is the culmination of my own research and experimentation within the ancient hermetic science of alchemy. For informational purposes only, no warranty is expressed or implied as to the accuracy or completeness of the information contained within this booklet.
