Animando a Leer (Spanish Edition) Lizette Mantilla Sánchez

Este libro reúne la experiencia de la autora durante varios años como monitora de talleres de animación a la lectura. Recopila actividades, juegos, técnicas y recursos que ha utilizado con niños y adolescentes. La mayoría de las actividades propuestas en la obra son creadas por la autora, pero también existen otras conocidas popularmente y algunas de autoría desconocida. En Animando a leer se propone fundamentalmente estimular, mediante procesos divertidos, la afición por la lectura. Un proceso en el que es importante conjugar tres ámbitos: la familia, la escuela y la biblioteca. Por ello, este libro está destinado a todas aquellas personas interesadas en manejar estrategias y técnicas de animación para fomentar y crear hábitos de lectura. En definitiva, una obra imprescindible para orientar y sembrar en niños y adolescentes el amor por los libros y también para alcanzar un bonito sueño: un país con elevados índices de lectura.
