[Siren Menage Everlasting: Erotic May-December Menage a Trois Romance, M/F/M, HEA] Tasha Ingram spent a year and a half healing after a nasty divorce turned her life upside down. Now it's time to move on. She isn't ready to risk love again, but her biological clock is ticking. She desperately wants a child. When smokin' hot firefighters Shawn McKenzie and Corbin Spencer offer to father one with no strings attached, how can she refuse? Sure, they're younger than her, but won't that make it easier for them to keep their promise and walk away in the end? Shawn and Corbin know they're playing with fire when they set their sights on a coworker's sister, but Tasha is everything they've been looking for in a woman. When they discover what she wants most, they know they're just the men to give it to her. Their proposition has the three of them burning up the sheets, but Shawn and Corbin have full intentions of keeping the fire burning outside of the bedroom forever, too. ** A Siren Erotic Romance
