Raine Wilkins covers Life and Style stories for the Chicago Courier. When she runs into Niko North outside a gala event, she finds herself drawn to him in ways she can't explain. She trusts him—an enigmatic stranger!—but she doesn't quite know why, although his stunning good looks might play a role. And he seems to need her help. Because Niko might inherit his family's business, Claus & Company. He thinks the business should help needy children all year round. He wants to make that change, but he doesn't know how. Few know more about Greater World need than Raine. Can she help Niko fight decades of tradition for the greater good? And can they help each other believe that fairy tales really do exist? "Grayson's clever, humor-tinged writing is absolutely delightful." —Booklist "Kristine Grayson gives 'happily ever after' her own unique twist!" —Kasey Michaels
