## **Pierre the Penguin: A True Story** Jean Marzollo

When Pierre, an African penguin living at the California Academy of Sciences, begins to lose his feathers, the zoo staff is at a loss as to what to do. The lack of feathers causes Pierre to lose warmth, making him afraid to swim in the zoo pool. And the other penguins start to shy away, giving Pierre the "cold" shoulder. Unfortunately, heaters and medications fail to correct the situation. But one rainy day, inspiration strikes a biologist named Pam. While walking her dog in the rain, Pam notes that her pet wears a raincoat. Could a "raincoat," or wet suit, help Pierre? A tiny neoprene wet suit is designed especially for Pierre. But will it work? Told in rhyme by noted I SPY author Jean Marzollo, this true story of veterinary ingenuity charmingly comes to life. Jean Marzollo has written more than 100 children's books, including the award-winning I SPY series. With a graduate degree from Harvard, she has taught school, written books about teaching and parenting, and was the editor of Scholastic's Let's Find Out kindergarten magazine for 20 years. Jean lives in upstate New York. Nationally known for her many award-winning children's books that feature exotic flora and fauna, Laura Regan's artwork has been used to raise funds for many wildlife organizations. She is the illustrator of A is for Anaconda: A Rainforest Alphabet. Laura lives in the Bay Area in California.
