**Sophocles: Antigone and Oedipus the King: A Companion to the Penguin Translation (Classical Studies)** John Wilkins, Matthew Macleod

These two Greek tragedies need no introduction. Their power, riches and influence are immense. All the more reason, therefore, for a volume that can steer the reader through the Penguin translation by Robert Fagles, in which form these masterpieces have reached a far wider audience than Sophocles' original Greek. John Wilkins' Companion to the "Antigone" and Matthew Macleod's to "Oedipus the King", together with an introduction discussing Sophocles and Attic tragedy, provide a valuable tool for the teacher, pupil or general reader.
