## DANTE

It was only supposed to be one night.

One night with me and I'd make her father's debt to the Zappia crime family a little easier to swallow. Turns out, swallowing ain't much of an issue for Lucy Vaughn.

I should never have gotten involved with her. Now, the Zappia family is after her and she's lost everything. Hell, even Snake Eyes — the deadliest criminal organization on the planet — wants to see her in the ground.

It's all my fault. A few blissful nights in my bed and her life is ruined.

Lucy wants payback. She wants to watch them burn for what they did to her and I can't say she's wrong. But I won't let her become a killer. Not like me.

## LUCY

I was a dancer. The star ballerina of my father's dance company. Until one day, Dante Hart came strolling into his office and whisked me off to his place.

The next thing I knew, my entire world burned around me.

The Zappia family took everything from me. I want to return the favor in blood.

Luckily, I know a man who knows a little something about killing but Dante ain't interested in teaching me much outside of his bed.

I will have my revenge. With or without him.

Now, where did he hide the keys to these cuffs?

*This is a standalone romantic suspense novel. It contains extreme violence, sex, and is intended for adults only. It is Book 2 of the Snake Eyes series. While it is not required to read the series in order of release, it is highly recommended to experience the full effect of Snake Eyes!*
