## The Watercolor Skies & Clouds: Techniques of 23 International Artists

Combining the most popular medium--watercolor--with the most significant element of the landscape--the sky--this spectacular gallery of paintings will appeal to a variety of readers. It includes:

- \* 23 start-to-finish, step-by-step demonstrations showcasing a spectrum of methods for painting emotive and moody skies
- \* An eclectic mix of styles from household name artists
- \* Insight into the way each artist's vision is translated onto the paper, for readers seeking to bring their own vision to light

With chapters from artists in the US, UK, Australia, and Canada, this book provides the credibility and scope every painter seeks in a painting guide.
