A New Economic History of Colonial India

A New Economic History of Colonial India

A New Economic History of Colonial India provides a new perspective on Indian economic history. Using economic theory and quantitative methods, it shows how the discipline is being redefined and how new scholarship on India is beginning to embrace and make use of concepts from the larger field of global economic history and economics.

The book discusses the impact of property rights, the standard of living, the labour market and the aftermath of the Partition. It also addresses how education and work changed, and provides a rethinking of traditional topics including de-industrialization, industrialization, railways, balance of payments, and the East India Company. Written in an accessible way, the contributors – all leading experts in their fields – firmly place Indian history in the context of world history.

An up-to-date critical survey and novel resource on Indian Economic History, this book will be useful for undergraduate and postgraduate courses on Economic History, Indian and South Asian Studies, Economics and Comparative and Global History.

From reader reviews:

Ethel Davidson:

What do you concentrate on book? It is just for students because they are still students or the item for all people in the world, exactly what the best subject for that? Merely you can be answered for that concern above. Every person has diverse personality and hobby for every other. Don't to be pushed someone or something that they don't would like do that. You must know how great as well as important the book A New Economic History of Colonial India. All type of book could you see on many sources. You can look for the internet resources or other social media.

Orlando Hernandez:

Do you have something that you like such as book? The guide lovers usually prefer to select book like comic, limited story and the biggest an example may be novel. Now, why not striving A New Economic History of Colonial India that give your pleasure preference will be satisfied by simply reading this book. Reading addiction all over the world can be said as the way for people to know world better then how they react towards the world. It can't be stated constantly that reading practice only for the geeky person but for all of you who wants to possibly be success person. So , for every you who want to start looking at as your good habit, you may pick A New Economic History of Colonial India become your starter.

Roger Lee:

This A New Economic History of Colonial India is great guide for you because the content that is certainly full of information for you who else always deal with world and get to make decision every minute. This specific book reveal it details accurately using great organize word or we can claim no rambling sentences included. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with lovely delivering sentences. Having A New Economic History of Colonial India in your hand like having the world in your arm, data in it is not ridiculous just one. We can say that no book that offer you world in ten or fifteen minute right but this e-book already do that. So , this can be good reading book. Hey there Mr. and Mrs. busy do you still doubt that will?

Charles Howell:

Do you like reading a guide? Confuse to looking for your selected book? Or your book has been rare? Why so many problem for the book? But any kind of people feel that they enjoy for reading. Some people likes looking at, not only science book but also novel and A New Economic History of Colonial India or perhaps others sources were given knowledge for you. After you know how the fantastic a book, you feel desire to read more and more. Science guide was created for teacher as well as students especially. Those textbooks are helping them to bring their knowledge. In some other case, beside science book, any other book likes A New Economic History of Colonial India to make your spare time far more colorful. Many types of book like here.
