Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition)

J. Irarte

Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) J. Irarte

Atlas bilingüe español-inglés, con la presentación de los EEG en dos montajes, con una breve presentación del paciente. Tras los EEG se aporta el diagnóstico, indicándose los hallazgos en el ECG y se da una explicación de la alteración. El objetivo de la obra es homogeneizar la terminología y conocer los términos en inglés, ya que estos especialistas frecuentemente se nutren de referencias en inglés.

Su originalidad radica en que plantea un breve historia clínica del caso, se formula una pregunta y se concluye con una respuesta al final de cada caso, con marcas en el propio EEG para ver la anomalía.

La electroencefalografía (EEG) es una técnica que permite estudiar la actividad cerebral y cuyo objetivo es conocer mejor el diagnóstico y la localización de su enfermedad, y en muchos casos la intensidad de una posible lesión. Está indicada en todo fenómeno en que se sospeche una causa de origen cerebral y en toda situación de disfunción cerebral, especialmente en fase sintomática.

La obra está dirigida a especialistas en neurología, neurofisiología, pediatría y psiquiatría, fundamentalmente para los interesados en epilepsia y sueño.

From reader reviews:

Linda Henderson:

Book is to be different for each and every grade. Book for children till adult are different content. To be sure that book is very important for us. The book Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) ended up being making you to know about other expertise and of course you can take more information. It is rather advantages for you. The reserve Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) is not only giving you considerably more new information but also to become your friend when you feel bored. You can spend your own personal spend time to read your reserve. Try to make relationship together with the book Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition). You never really feel lose out for everything should you read some books.

Joyce Volz:

The reserve with title Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) has lot of information that you can understand it. You can get a lot of gain after read this book. This kind of book exist new knowledge the information that exist in this e-book represented the condition of the world at this point. That is important to yo7u to learn how the improvement of the world. This kind of book will bring you within new era of the glowbal growth. You can read the e-book on your own smart phone, so you can read the item anywhere you want.

Paul Jones:

Your reading sixth sense will not betray an individual, why because this Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) publication written by well-known writer who knows well how to make book that can be understand by anyone who all read the book. Written throughout good manner for you, leaking every ideas and producing skill only for eliminate your own hunger then you still skepticism Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) as good book not just by the cover but also by the content. This is one publication that can break don't assess book by its deal with, so do you still needing one more sixth sense to pick this kind of!? Oh come on your studying sixth sense already alerted you so why you have to listening to a different sixth sense.

Rachel Kaufman:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just very little students that has reading's soul or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's

country. Therefore , this Electroencefalografía del adulto / Adult Electroencephalography (Spanish Edition) can make you feel more interested to read.
