Intervention and Reflection: Basic Issues in Medical Ethics

Ronald Munson

Intervention and Reflection: Basic Issues in Medical Ethics Ronald Munson

This best-selling textbook and reader continues to set the standard in medical ethics. It contains the necessary background information, readings, and case studies to help readers appreciate the complex moral and social issues of modern medicine. The book's non-technical approach gives readers with little or no philosophy or medical background the opportunity to participate in discussions about the many thought-provoking issues that concern medical ethicists.
