## **The Fried Twinkie Manifesto: and other tales of disaster and damnation** Ryan Moehring

Whether solving biblical foreskin mysteries, having his head split open by a crowbar-wielding man named Thor or getting busted for pickpocketing in a remote Mexican desert, Ryan Moehring reveals in his debut collection of stories and essays, *The Fried Twinkie Manifesto*, that his irreverent wit and capacity for uncovering nuggets of insight from the rubble of the mundane make him one of humor's most promising newcomers.

While maintaining a voice unmistakably his own, Moehring evokes the wild imagination of Tom Robbins, the soul of Sedaris, and the wisdom of Vonnegut. Though readers will more often than not find themselves laughing out loud, Moehring's eye for the profound and his unyielding honesty ensure that they are just as likely to cry—or cringe.
