"Expect the unexpected."

That's what Eleanor "Groovy" Robinson's horoscope says the morning everything begins to change. Suddenly, her father is in jail, her plans to attend culinary school when she grows up fall apart, and it feels like maybe nothing will ever be right again. But the swallows that return to her coastal town every year bring a message of hope with them that even Groovy can't ignore. Can she forgive the failings of someone she loves in order to bring her family back together again?

Kathryn Fitzmaurice's tender debut novel about food, family, friendship, and forgiveness is as full of promise as the swallows that return home to San Juan Capistrano every spring.
