Take advantage of learning a new technique while enjoying a fun pattern with a gorgeous finished project! Even if you've never tried entrelac before, don't be intimidated! This technique is much easier than it looks and is so much fun. I have included three instructional video links that walk you through knitting entrelac for this pattern step by step. Go for it!

This pattern calls for Super Bulky (6) Weight Yarn and Size 9.0mm (US 13) Circular Needles (with a cord length of at least 24") and Double Pointed Needles (or use the Magic Loop Method).

This is an intermediate level pattern (due to the entrelac), and is knitted in the round. Like my Facebook page – Melody's Makings, for special offers, giveaways, pattern testing opportunities and more!
