## **Grave Surprise** Charlaine Harris

A college class gets more than it bargained for when Harper gives a demonstration of her uncanny talent. Instead of just finding one body in an old grave, she finds two: the original occupant and a recently deceased girl whom Harper had tried, and failed, to find two years previously. To dispel suspicions about her innocence, Harper sets out to find the killer - only to find yet another body in the same grave. This recording is unabridged. Typically abridged audiobooks are not more than 60 per cent of the author's work and as low as 30 per cent with characters and plotlines removed.
