**Showdown City** Todd Berger

**Just because you're off the grid doesn't mean you're not a target.**

In this fiercely imaginative novel of suspense and satire, *Westworld* by way of *Django Unchained*, a down-on-his-luck helicopter pilot named Huey Palmer finds himself hired by a small cadre of treasure hunters that set out into the Nevada desert to find a gun. It's not just any gun that eccentric billionaire Ernie Swords wants, it's a long-lost antique, one with a story worth a fortune, and Swords has the money and the means to get it.

Where Huey and his cohorts soon find themselves, however, is stranded far from civilization in a forgotten town dubbed Showdown City, where the infamous gun is one of hundreds readily available for the townsfolk to settle any and all disputes. After living in isolation for over a hundred years, the town has morphed into a warped, lawless community overseen by a delusional tyrant and his quick-draw henchman?and they do not take kindly to strangers.

Huey is the one who got them into this mess in Showdown City, and now, with the unlikeliest help, he has a plan to shoot their way out.
