Lies. Betrayal. A double life. Lola Anders isn't who she seems. Two years ago she ran away from the dangerous life she'd been living in order to stay alive and to escape the pain of losing someone close to her. She changed her name and reinvented herself into a good girl... at least part of the time anyway. A secretary by day and an escort by night, Lola lives a double life in order to maintain balance and survive. And things are going well until someone from her past shows up out of nowhere--someone Lola thought was dead. Sexy and dangerous Layton Everett enters Lola's life again without warning. Not only does Layton know who Lola really is but he also used to work for her family's sworn enemy. Lola worries he's shown up to finish the hit put on her two years ago, but having no other choice she has to let Layton into her life. Plus, she's attracted to him more than she likes to admit. The closer Lola gets to Layton, the more her secrets are revealed. Ultimately she's pulled into the dangerous world she ran away from. **\*\*Adult Romance Suspense.** **Mature Content Warning\*\*** 17+ for language and sexual content.\*\*
