- New material on the domestic front, covering Austria-Hungary's internal political frictions and ethnic fissures
- More on Austria-Hungary and Germany's position within the wider geopolitical framework
- Increased coverage of the Eastern front

*The First World War: Germany and Austria-Hungary, 1914-1918* offers an authoritative and well-researched survey of the role of the Central powers that will be an invaluable text for all those studying the First World War and the development of modern warfare.
