Have you spent a great deal of time learning Spanish only to find that you can't converse in it? Have you been looking for something to help you break out of basic or tourist Spanish? Then look no further!

In this book, you will learn how to take the concepts that we use in everyday English conversation and convey it in Spanish. You will learn the words, phrases and grammar necessary to start speaking Spanish more naturally, the way the natives speak.

By learning to speak more naturally, you will more easily be able to engage Spanish speakers in conversation, leading to immersion, which is the absolute best way to learn a language hands down.

Everything in this book is written to help you learn difficult Spanish concepts, in a way that makes the most sense to an English speaker. As a native English speaker myself, I have experienced the same frustrations that many of you may now be going through. This book is written to end those frustrations right now. This book doesn't teach academic Spanish and will not overwhelm you with complicated rules of grammar. I just make everything as simple as possible so that you can take what you learn from this book and use it right away.

Download it now and start improving your Spanish immediately!
