## **Entering Fire** Rikki Ducornet

This startling and brilliantly comic novel tells the stories of two men: a father and his estranged son. Lamprias de Bergerac is a gentle mystic and amateur botanist who spends his middle-aged years in an erotic utopia deep in the Amazonian jungle, collecting specimens of rare orchids and ultimately finding Cucla, the young and free-spirited native woman who has become the love of his life. Meanwhile, his demented son Septimus is raised by his mother in prewar Europe, seething with hatred of the father who abandoned him. He rises to power in Nazi-occupied France, where he goes mad in an obsessive pursuit of racial purity.

Rikki Ducornet has a gift for combining the horrific with the hilarious, the realistic with the fantastic. Through a wildly inventive narrative, *Entering Fire* scrutinizes the sources of fascist mentality in nations and, potentially, in all humans.
