The Pretty Little Liars are in college now ... but they still can't escape their past.

As teenagers, the pretty little liars were blamed and tormented for best friend Alison's murder. Someone wanted them to pay - someone known only as "A." The contest between the girls and A becomes a vicious, dangerous game of lies, double crosses and betrayals. But somehow Aria, Emily, Spencer and Hanna survive senior year and make it to high school graduation. They go on with their lives - Spencer to Yale, Emily to Hollywood, Hanna to the fashion capital of Manhattan, while Aria settles in with her boyfriend and his son. Two years pass, two wonderfully calm, uneventful years. But then Emily receives a text from Toby about a buried secret. Returning to Rosewood, she is knocked out trying to uncover an important clue that might explain all their troubles. The girls race to Emily's hospital bedside and learn their blissfully serene ceasefire is over upon receiving a stinging message from the past: "I'm back. Did you miss me? Xoxo- A."

Hush Little Baby is inspired by the bestselling Pretty Little Liars series.
