**Now in paperback— Hold on to your head for the funny and fast-paced second Tale from the Five Kingdoms, a follow-up to THE ROBE OF SKULLS.**

When the quill writes GO GO GO frantically on the wall, and the House of the Ancient Crones heaves Gracie Gillypot outside onto the path, it can mean only one thing: there's Trouble in the Five Kingdoms. This time it's in the form of a beady-eyed, green-tongued witch named Truda Hangnail, who with her banished Deep Magic has vowed to succeed Queen Bluebell on the throne. Now that her horrible spell has shrunk the good witches of Wadington to the size of, well, rats, can anything stop her? Will the strengths, smarts, and charms of a spunky trueheart, a sweet-natured orphan, a scruffy prince, a substantial troll, and two squabbling bats be enough to foil her insidious plot?
