Published by Times Square Press, New York. Officially, Dulce Base does not exist. The Base was jointly created by the Grays and a shadow government. Aliens who work at Dulce speak perfectly English. It was reported that many of them, especially the tall ones, are not considered and/or called aliens by their human counterparts. Some very well-informed co-workers and insiders believe they are "Hh", acronym for human-hybrids, others call them Intraterrestrials". The Im, acronym for the "Internal Manifesto" classifies them into three separate categories. The precise & astonishing information and data about Dulce as provided in this report were obtained directly from: 1-A meeting at Area 51, which gathered some of the most powerful personalities from our government, top brass, and members of a "Shadow Government". 2-A sudden inspection of the base by one of our most descent generals. 3-Eyewitnesses' reports and official attestations.
