Freshwater Fish for Beginners Ryan Sullivan

Freshwater fish keeping is something I'm passionate about. I have built a business around my fish from a really young age and now own a fish store both in my community and online. I have become wildly successful, making over six figures in my first year in the industry. However, in this short read I will teach beginners everything you need to know in order to keep freshwater fish and be successful. Everything from tank cycling, tank cleaning, fish for starters, how to breed fish, how to make money with your fish even what fish are compatible with each other. If your interested in learning all there is to know about freshwater fish from a basic fundamental understanding to more advanced stages where you can turn your hobby into a business. Then this is a book I recommend you get a copy of.
