Lake Lure (Images of America)

Jim Proctor

Lake Lure (Images of America) Jim Proctor

Lake Lure, North Carolina, is known as the ""Gem of the Carolinas." Twenty-five years after Dr. Lucius Morse and his brothers Hiram and Asahil purchased Chimney Rock in 1902, their dream of creating Lake Lure and the town of Lake Lure was realized. Lake Lure is surrounded by majestic mountain cliffs and fed by the idyllic Rocky Broad River. A popular tourist destination, Lake Lure hosted famous figures through the years, including Franklin D. Roosevelt and F. Scott Fitzgerald. Also significant in film history, it provided the backdrop for Dirty Dancing and Last of the Mohicans. Lake Lure showcases the rich community, tourism, and recreational history of this mountain community.

From reader reviews:

Mildred Patton:

What do you think of book? It is just for students because they're still students or the item for all people in the world, exactly what the best subject for that? Only you can be answered for that problem above. Every person has distinct personality and hobby for each and every other. Don't to be pressured someone or something that they don't would like do that. You must know how great in addition to important the book Lake Lure (Images of America). All type of book would you see on many solutions. You can look for the internet methods or other social media.

Ramon Jeter:

As people who live in often the modest era should be change about what going on or info even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will probably update themselves by examining books. It is a good choice for yourself but the problems coming to an individual is you don't know what kind you should start with. This Lake Lure (Images of America) is our recommendation to help you keep up with the world. Why, because book serves what you want and need in this era.

Judith Smith:

Is it an individual who having spare time and then spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something new? This Lake Lure (Images of America) can be the reply, oh how comes? A fresh book you know. You are so out of date, spending your extra time by reading in this brand new era is common not a nerd activity. So what these textbooks have than the others?

Grace Harrell:

Reading a publication make you to get more knowledge from the jawhorse. You can take knowledge and information coming from a book. Book is prepared or printed or outlined from each source in which filled update of news. With this modern era like right now, many ways to get information are available for a person. From media social similar to newspaper, magazines, science guide, encyclopedia, reference book, novel and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just trying to find the Lake Lure (Images of America) when you essential it?
