## My Lady Rival (Signet Eclipse) Ashley March

In this tantalizing new novel of untold wealth, unbridled privilege, and unspeakable scandals, a family shakes the very foundation of proper Victorian Society—and sets the bluebloods to blushing..

When the wealthy middle-class Laurie family purchases a home in exclusive Belgrave Square, London Society is aghast. After all, the consensus is that they're nothing but lowborn commoners—a family of nouveau riche daring to marry into the aristocracy. Others believe it's an attempt to prove that their wealth makes them equal to nobility. Only one thing is certain: Belgrave Square will never be the same again.

Upon his father's death, Alexander Laurie feels the best way to provide his family with the privileges they deserve and secure their business is to establish ties with the London ton. And the best way to do it is by marrying an aristocratic bride. But when his business rival's beautiful daughter—the one person who can destroy his plans—appears in London, Alex must defeat her attempts at sabotage, even if that means stealing kisses from the enemy.
