Ain't No Wifey *Jahquel J.*

If you had to describe Minka Santos, it would depend on who you asked. To wives, she's a home-wrecking, gold-digging whore. But to their husbands she's the best they ever had. To her family, she's simply Minka: a girl whose mother swept her under the rug so no one will ever know about her or her absentee father. Minka lives the life most want: nice car, house and endless amounts of money. But is she happy?

As always, when one door closes another one opens. Just when Minka gave up on love, she meets a Micah. Micah shows Minka that a man should value his woman and she was made to be a wife. While falling head over heels with Micah, will everything come crashing down when Micah finds out about her past? Or will Micah also have a couple of skeletons in the closet as well?

Follow Minka down a road of finding herself. Will she ever find out who her father is or has he been closer to her all along? Will Minka finally find her role as a Wife or will she remain Ain't no Wifey?
