**History's villains and their fate: This book contains top 15 worst ever villains of our world, their brutalities and fate at the end.** Ali Subhan

In our world, we have a huge number of heroes not only in movies but also in our real lives as well that is too in different fields of life. We all are always ready to know about our heroes which is not a hard thing to do at all but only a few of us realize and give it a thought that heroes can never be heroes without the role of villains against them, which made me curious to learn and gather knowledge about villains of history and their misdeeds because of which they are given this title. There are thousands of villains which we had in ancient or recent history, I tried to go through their lives and every one of them was not less than other as far as callousness and haplessness is concerned. It was not an easy task to make a brief list of all the villains and their brutalities but here is a short list which can give only an estimate of atrocities that world had suffered.
