What Is This Babblers Trying to Say?: Essays on Biblical Interpretation Michael S. Moore

This book is a collection of revised-and-updated essays about the Hebrew Bible written by a North American scholar over a period of several decades. Subdivided into three parts--Torah, Prophecy/Apocalyptic, and Wisdom--these seventeen essays attempt to model for younger scholars and students what the discipline of biblical interpretation can look like, attending carefully to literary, historical, canonical, and comparative intertextual methods of investigation.
