That devil-to-pay existence does not prepare him for someone like Jonna Remington, a fiercely independent woman who is not impressed with his charm or cunning. As owner of Remington Shipping, what Jonna needs is Decker's deft touch at the helm of her finest clipper.

With the Remington fortune riding on Decker's success, Jonna is vulnerable and beholdng, and when her daring plan gives rise to new dangers, it is Decker who puts his life on the line to save hers. On board Huntress, the clipper she owns but where he is master, Decker can keep her safe from everyone but himself. As they make the Atlantic crossing from Boston to London, Jonna must decide how safe she wants to be, or if Decker has stolen the one thing she did not know she had to give... her own reckless heart.
