SYRIA, IRAQ, ISIS, ISRAEL  
&  
THE BIBLICAL PROPHECIES

A TIMELY APPEARANCE AGAIN!

You will surely not be disappointed with this small book if you are interested in knowing at what point of time the world is standing right now.

Not only that, its systematic exposition of the biblical prophecies is quite startling in its revelation of the meaning of what is happening right now in the Middle East, and what future events are closely following it.

If you learn about it, it is simply not possible that you do not start preparing for what is soon to come. SURE THING!

Bertrand sounds extremely convincing due to his realistic and logical approach to biblical prophecies. He proves, and quite effectively, that Bible is a history, a unique one. Very. Unique because what was, what is and what will be - all is present there. There never existed a history like this, and there never will exist one like this in the time to come. SURE THING! Because it is DIVINE!

Read It! You will help yourself if you do!
