The last thing the class expects when they go back to school is for their **new** teacher to be **old!** And then he gives them a goofy present-a book of coupons: one coupon for skipping school for a day; one coupon for not listening in class; one coupon for singing at the top of your lungs whenever you like. The list goes on! What is this wrinkly old teacher trying to do, get everyone in trouble? Susie Morgenstern follows up her award-winning book **Secret Letters from 0-10** with a thoughtful, funny, and very original book that once again shows children that life is for the living.
