Beyond the Rainbow Bridge Kimberly Gatto

Equestrians from all walks of life—from backyard riders to international competitors—share a common bond when it comes to the loss of a horse, whether it be through death or some other circumstance, such as being forced to sell due to finances. All such losses may cause us great grief. In a profound sense, this book was written for all of us. Beyond the Rainbow Bridge was written to help equestrians (and those close to them) understand, cope with and, eventually, heal from, the loss of a horse. The book covers a variety of topics, including: *The emotions that characterize the grieving process *Understanding and preparing for euthanasia *Coping with a sudden loss due to accident or illness *Options for burial, cremation, or other methods of disposal *Helping a child cope with losing a horse *How horses deal with the loss of a stablemate *Ideas for memorializing a special horse *Bonding with another horse after a loss. Beyond the Rainbow Bridge is filled with practical advice from professionals such as clinical psychologist and veterinarians, and shares the personal stories of horse folks from backyard riders to famous horse people such as Lynn Palm and John Lyons that will provide comfort in your journey through the healing process. While nothing can alter the pain of losing an equine companion, Beyond the Rainbow Bridge gives affirming and inspiration advice and comfort. It is also a very kind gift for a friend going through a difficult time.

From reader reviews:

Doris Moreno:

The book Beyond the Rainbow Bridge can give more knowledge and also the precise product information about everything you want. So why must we leave the good thing like a book Beyond the Rainbow Bridge? A few of you have a different opinion about guide. But one aim that will book can give many info for us. It is absolutely appropriate. Right now, try to closer with the book. Knowledge or information that you take for that, you can give for each other; it is possible to share all of these. Book Beyond the Rainbow Bridge has simple shape but the truth is know: it has great and big function for you. You can appearance the enormous world by open up and read a publication. So it is very wonderful.

Casey Schnell:

This Beyond the Rainbow Bridge is great book for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. This specific book reveal it info accurately using great organize word or we can declare no rambling sentences inside it. So if you are read the item hurriedly you can have whole details in it. Doesn't mean it only gives you straight forward sentences but challenging core information with wonderful delivering sentences. Having Beyond the Rainbow Bridge in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no e-book that offer you world throughout ten or fifteen tiny right but this e-book already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt this?

Donald Noble:

Is it anyone who having spare time in that case spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This Beyond the Rainbow Bridge can be the answer, oh how comes? It's a book you know. You are consequently out of date, spending your extra time by reading in this brand-new era is common not a nerd activity. So what these ebooks have than the others?

Thelma Cobb:

What is your hobby? Have you heard which question when you got learners? We believe that that question was given by teacher with their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person such as reading or as examining become their hobby. You must know that reading is very important as well as book as to be the matter. Book is important thing to increase you knowledge, except your own personal teacher or lecturer. You will find good news or update in relation to something by book. Numerous books that can you choose to use be your object. One of them are these claims Beyond the Rainbow Bridge.
