## Government and Politics in Africa, Fourth Edition William Tordoff

Praise for previous editions:

"... a wonderfully comprehensive yet succinct textbook on African politics." —Third World Quarterly

"[W]ritten with an economy of language and a breadth of knowledge rarely found in political science writings.... Tordoff's interpretations will be respected by scholars from diverse perspectives." —International Journal of African Historical Studies

The fourth edition of *Government and Politics in Africa* examines the experience of African states following the emergence of pro-democracy movements from the late 1980s to the present. This fully revised volume examines a wide range of issues and institutions, including multi-party elections and their democratic and authoritarian outcomes; privatization and the market economy; corruption, ethnic and clan rivalry, and religious fundamentalism; state collapse and civil war; the role of regional and Africa-wide organizations; debt relief, structural adjustment, and poverty alleviation; the spread of HIV/AIDS; the role and status of women; and Africa's marginalization in the global economy.
