Daters of all ages will learn step-by-step how to:

- Conduct criminal checks
- Verify employment
- Gauge marital status
- Create a Date-a-Base
- Scour property records
- And much, much more

Created by Maria Coder, a former crime and general assignment reporter, **InvestiDate** teaches daters how to investigate their dates using modern day scenarios. **InvestiDate** has been featured on The TODAY Show, UK's Mail Online, Australia's The Morning Show, New York Magazine, The Washington Times, and countless other media.

No stranger to a broken heart, Maria has canceled a wedding, dumped a philanderer, and had her heart unrecognizably pulverized a time or two. She's earned her dues in the dating trenches and has decided it's time to set the record straight.

A member of Investigative Reporters and Editors, a professional organization dedicated to improving the quality of investigative reporting, Maria is committed to empowering men and women to know what they're getting themselves into; and to know when to get out.
