#### **David Peacock:**

As a student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this period of time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this Night Passage (Jesse Stone 1) by Robert B Parker (2013) can make you truly feel more interested to read.

#### **Philip Martin:**

Reading a guide make you to get more knowledge from it. You can take knowledge and information coming from a book. Book is prepared or printed or descriptive from each source that will filled update of news. On this modern era like now, many ways to get information are available for you actually. From media social just like newspaper, magazines, science e-book, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just
