The Haunting of Josie

Kay Hooper

The Haunting of Josie Kay Hooper

Before writing such *New York Times* bestselling thrillers as **Blood Dreams** and **Sleeping with Fear**, Kay Hooper made her mark with novels uniquely blending romance and suspense. In this new edition of **The Haunting of Josie**, Hooper brings together the themes that have remained at the heart of all her work—passion, danger, and a touch of the paranormal—in this classic story of a woman haunted by the past and tempted by a man too irresistible to trust....

Josie Douglas came to the isolated country cottage with her research, a good alibi, and a gun. She hoped that she'd have enough time to unravel the facts behind the tragedy that years before shattered her life. Instead she found herself in a house haunted by its own dark history. A series of strange coincidences, a ghostly visitor, and a mysterious brass key provide Josie with tantalizing clues to a mystery that keeps her guessing at every turn. As does Marc Westbrook—a landlord who embodies the meaning of the term drop-dead gorgeous. Soon she'll have to trust him with the secret that drove her into seclusion—a secret that has already cost one man she loved his life.
