Las mil y una noches: Edición de Mardrus (Spanish Edition) Autor Anónimo

« Las mil y una noches » es una colección de relatos del más variado tenor, que va desde el realismo, e incluso naturalismo, más pedestre hasta lo maravilloso donde abundan los genios, serviciales o amedrentadores, y los personajes que entran por las ventanas en fastuosos palacios, montados en alfombras voladoras, pero todo ello incrustado y regido por una estructura: el hilo verbal inagotable de Schahrasad, aunque escandido por estratégicas pausas capaces de mantener y acrecentar el interés del rey, aplazando así la muerte anunciada que pesa sobre su cabeza como una espada sostenida por una mano extremadamente sensible al menor soplo del tedio. De este modo, la narradora encadena relatos mediante la técnica de la muñeca caucásica, que contiene otra y ésta a su vez otra más pequeña y así sucesivamente, para después ir encerrando cada una de ellas en la cárcel de su precedente hasta llegar a la muñeca inicial. El rey está fascinado, hechizado e hipnotizado por la verba de la doncella y va dejando pasar los días sin resolverse a matarla, dejándose seducir, perdiendo poco a poco la misoginia que le quemaba las entrañas, amasando su propia felicidad y la del lector.
