Psalms for Brides: A Study in Drawing Near Glenda Hotton

One of the axioms of life is you can't change another person, you can't control another person, you can only change self and can only control self. This is a challenging hard concept. Change takes a long time. We may never see change in others but my hope is you will become more and more comfortable using your voice, more comfortable in communication, more comfortable in the fulfillment of loving God who cares so much about you that He gave His life for you (John 1:13; 1 Corinthians 6:19). Scripture never indicates a bride is to be a carpet for a man to wipe his feet on. The role of the wife, as instructed by God, is to protect the woman from abuse. Psalms for Brides is a devotional for brides of all ages. Author Glenda Hotton hopes to encourage the reader toward a joy that comes from obeying God no matter what another person does. She draws from her own marriage experience to inspire and guide her readers into a fulfilling marriage.
