A handsome real estate mogul with billions of dollars in the bank and the attention of every lady in his Florida hometown, Lassiter Lange seems to have it all. So why, then, does the hunk find himself facing yet another Valentine's Day alone?

Well as it happens, timeless immortals often find it tough to find anything in the way of a life mate; and 600-year-old vampires often find it difficult to explain their situations to even the most understanding women.

When Lassiter sits down with a bright, spirited BBW journalist for what proves a most captivating interview, he is immediately captivated by the ebony goddess Delilah Moore; a woman that he immediately asks to be his Valentine's date.

Yet little does he know that this exquisite lady has a wild side; one expressed in her second identity. And aside from sharing a love for historical architecture and a strong drive to succeed, both Lassiter and Delilah are lovers of the night.

"Night Lovers" is full of sexy surprises... a paranormal vampire and werewolf shapeshifter romance that will have all your sense tingling!
