## Stepbrother Bad Boy's Baby (Bad Boy Stepbrother Book 1) Lauren Landish

“That one word. It told me everything. If I gave in to my inner devil, I could destroy her. I could destroy her mother Sandra, I could destroy the man who was my father. Vengeance could be mine.”

My stepbrother-to-be, Julian, is total d\*ck. An arrogant a\*\*hole. A c\*cky bastard. A bad boy.?

I can hardly tolerate his presence. Yet, I keep finding myself thinking about his bad boy smile, chiseled jawline and washboard abs that God himself must’ve carved out on his stomach.?

Still, he's got a reputation with women, and I’m sure he wants to make me his next conquest since I don’t put up with his shit and he seems to love a challenge. But it's not happening. No way, no how.?

But when he ends up staying in my guest bedroom, my mind is filled with thoughts I just can't push away, and if I’m not careful, I might just give in to his seductive smile.

\*\*\*This is the first installment to my new novella length series, and thus does not contain a HEA until the last installment.
