A lady is nothing without her reputation. Jilted and humiliated by her once-betrothed, Lady Abigail Lacey is the laughingstock of London. Worse still, the humiliation is now reflecting badly on her family. Her brother, the Duke of Manchester, is desperate... until he finds a way to rescue his sister's damaged reputation, and remove her from the glare of disapproving society. He must marry her off. Quickly. When Rector Joseph Fox drops by the Lacey household, he certainly didn't expect to leave as a man engaged to a long-time family friend! Yet while he never could have aspired to have her, Lady Abigail always ignited a forbidden longing in him. But Abigail has one condition - their marriage is to be void of passion or physical pleasures, once she becomes with child. Faced with a platonic marriage of convenience, Joseph is determined to embark on a sensuous adventure with only one goal: to seduce his new wife...
