## 10 Principles for building self confidence and how to be happy in life (free living, happy life, overcoming fear, beauty secrets, self concept)

No woman was ever born already self-confident. No woman was ever born with "self-confidence" imbeded in her genes. This is suggestive that self-confidence is never and can never be inherited from your parents. Therefore any woman who is willing to buid her self-confidence and be happy can learn and become competent, like any other learnable skill. There are some universal principles that are very critical for women to learn, in our quest to become self-confident and ultimately become happy people. You deserve to be confident and happy in life.
