**Boo Who (The Boo Series #2)** Rene Gutteridge

“Knock knock.”

“Who’s there?”

Nobody in Skary seems to know for sure...

It appears that everyone in Skary, Indiana, is having an identity crisis of epic proportions—including the town itself. Once known as the haunt of the world’s most popular horror writer, Wolfe “Boo” Boone, Skary started losing tourist business after Boo abruptly abandoned his career. Now the little town with the big marketing hook is up a creek—and on the brink of bankruptcy.

Meanwhile, the former best-selling author is hawking [or selling] cars and wondering, like the rest of the world, if he’ll ever write again. Yet even as Boo’s literary career gracelessly plummets, his fiancée, wholesome Ainsley Parker, is shooting to stardom as the media’s darling new domestic diva.

Weave in a dreaming bride with a bargain dress and a few too many pounds on her hips, an unconventional therapist who has Skary in his thrall, a depressed cat, a dogged busybody, and a horde of strange, ghostly figures traipsing in and out of the woods, and it’s easy to see why Skary is the quirkiest—and most charming—town around.
