**DEEP** Joanna Blake

**I wanted everything. So I took it.**

I've been hired to protect the biggest pop star in the world. She's beautiful, spoiled and the most famous woman on Earth. I'm determined to keep it professional. She's determined to get a rise out of me. But I'm not sure she can handle it once she does.

My name is Joss but in the service they called me Ice. That's because I stay calm no matter what. No matter what happens I keep control. I have a job to do and that's it.

Until I meet my latest assignment. Trista Davis is primped and polished to a high shine. She's sex on wheels. But what I didn't expect was the soft side to her. A lost side, that needed my help.

It goes deeper than just protecting her from danger. She needs to be woken up. Set free.

Come to think of it, so do I.

*\*DEEP contains the FULL MAN CANDY Trilogy of GRIND, HEAT and DEEP\**

*\*This trilogy includes THREE guaranteed Happy Ever Afters with no cheating ever!\**

### **From reader reviews:**

#### **Oliver Watts:**

This DEEP book is simply not ordinary book, you have after that it the world is in your hands. The benefit you obtain by reading this book is information inside this book incredible fresh, you will get details which is getting deeper anyone read a lot of information you will get. This DEEP without we understand teach the one who examining it become critical in pondering and analyzing. Don't be worry DEEP can bring whenever you are and not make your bag space or bookshelves' grow to be full because you can have it in your lovely laptop even phone. This DEEP having very good arrangement in word and also layout, so you will not feel uninterested in reading.

#### **Stuart Perez:**

Here thing why that DEEP are different and trustworthy to be yours. First of all studying a book is good but it depends in the content of the usb ports which is the content is as delightful as food or not. DEEP giving you information deeper and in different ways, you can find any guide out there but there is no publication that similar with DEEP. It gives you thrill reading through journey, its open up your personal eyes about the thing that happened in the world which is might be can be happened around you. It is possible to bring everywhere like in recreation area, café, or even in your method home by train. When you are having difficulties in bringing the published book maybe the form of DEEP in e-book can be your alternative.

#### **Marina Tucker:**

People live in this new time of lifestyle always try and and must have the extra time or they will get lots of stress from both daily life and work. So , when we ask do people have free time, we will say absolutely of course. People is human not just a robot. Then we inquire again, what kind of activity have you got when the spare time coming to a person of course your answer may unlimited right. Then do you try this one, reading textbooks. It can be your alternative within spending your spare time, the particular book you have read is definitely DEEP.

#### **Ethel Orr:**

Beside this DEEP in your phone, it might give you a way to get closer to the new knowledge or data. The information and the knowledge you can got here is fresh from the oven so don't always be worry if you feel like an outdated people live in narrow village. It is good thing to have DEEP because this book offers to you readable information. Do you occasionally have book but you rarely get what it's all about. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable set up here cannot be questionable, just like treasuring beautiful island. So do you still want to miss the idea? Find this book in addition to read it from now!
